### Parent Notes..

Seems like we have been waiting a long time for spring this year! The children are so ready for outside fun and warmer weather. April will be a fun month as we enjoy a visit from some live bunnies, learn about how seeds sprout and grow and taste yummy strawberries!

We will have an egg hunt on April 9, and in preparation for that, please bring two dozen filled plastic eggs on April 2. Eggs may be filled with soft candy (no nuts please), stickers or small toys. We will make cute baskets on April 2 and leave them at school to use for hunting eggs.

We can have a little party on April 9 after the egg hunt and both classes will meet together on that day. We may extend our time until 12:00 so we can get everything in, and our party can include lunch food. I will have a sign-up sheet on April 2.

On April 22 we will need some fresh strawberries for a special snack. Let me know if you would like to provide those.

Have a wonderful spring and enjoy the outdoors with your little ones!

Happy Spring!
