### Parent Notes...

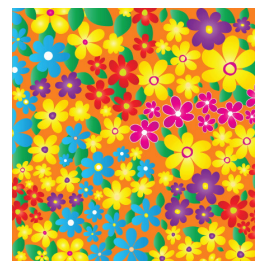

It seems like we have been waiting a long time for spring this year! The children are so ready for outside fun and warmer weather. April will be a fun month as we enjoy a visit from some live bunnies, learn about caterpillars and butterflies and taste yummy strawberries!

We will have an **egg hunt on April 10** and in preparation for that, please bring two dozen filled plastic eggs on April 3. Eggs may be filled with soft candy (no nuts please), stickers or small toys. We will be making cute baskets on April 3 and leave them at school to use for hunting eggs.

We will have a little **party on April 10** after the egg hunt. I will have a sign-up sheet on April 3.

On April 23 we will need some fresh strawberries for a special snack. Let me know if you would like to provide those.

Have a wonderful spring and enjoy the outdoors with your little ones.
